ISG HOSTS SEBASTIAN BACH'S WEB SITE FOR ALBUM DEBUT

Fort Myers, Florida, November 8, 2007- Internet Services Group of Florida, LLC (ISG) proudly announces it will be hosting Sebastian Bach's web site for his new album debut on Tuesday, November 20, 2007.

"Our servers are ready for the onslaught of traffic – we've got plenty of power and bandwidth to assure Sebastian's site does not get overwhelmed with traffic" says Founder & President of ISG, Charly Caldwell II.

Sebastian Bach, formerly of the hard rock band, Skid Row, recruited his good friend, W. Axl Rose (of Guns N Roses) to sing on his new record, titled "Angel

Down”.

For the album cover, Sebastian used his late father’s (Canadian artist David Bierk) “David Watching” painting.
